

Donation form for the Merrickville District Trails Society:

All activities by members of the MDTs are on a volunteer basis. Funds are used only to cover the cost of expenses. Many services are provided “in kind” by supporting organisations.

All funds, including donations, are received and managed for us by Rideau Community Health Services (RCHS). We are a programme supported in part by the RCHS. Donations can be made to the RCHS, for the MDTs (Merrickville District Trails Society), and the RCHS provides receipts for charitable donations.
